Home Care Assistance Launches New Caregiver Training Program with CareAcademy®

Creating a partnership to provide online caregiver training and compliance for employees

(Fort Lauderdale, FL – August 23, 2019) [Home Care Assistance of Ft. Lauderdale](#), the leading provider of in-home senior care, sought a new partner that can further improve the client experience and the training process for its caregivers. The company upholds a high standard of care and through this partnership, Home Care Assistance is able to offer a free, continuing educational training program as a benefit to its caregivers and employees.

“CareAcademy provides a well-versed platform of training courses to continually educate our caregivers and equip them with the skills and confidence needed to provide the highest caliber of care across the industry,” said Manpreet Singh Dhalla Owner/President of Home Care Assistance of Ft. Lauderdale. “Our company aims to further improve our training process and the preparation needed to address the specialized needs of our clients.”

CareAcademy is a recognized leader in high-quality training for caregivers. By selecting CareAcademy as a training partner, Home Care Assistance of Ft. Lauderdale has again demonstrated its commitment to quality service.
