Home Care Assistance of Ft. Lauderdale recognized as a BBB Accredited Business

Renowned, independent organization awards A+ accreditation to Home Care Assistance

(Fort Lauderdale, FL – February 1, 2020) [Home Care Assistance of Ft. Lauderdale](#), the area’s leading agency for in-home senior care, is proud to announce that it has been accredited by the Better Business Bureau. For more than 100 years, the Better Business Bureau (BBB) has been helping people find businesses, brands, and charities they can trust. BBB sets standards for and evaluates thousands of advertisements each year to ensure that people can trust what advertisers say.

If a business has been accredited by the BBB, it means BBB has determined that the business meets accreditation standards, which include a commitment to make a good faith effort to resolve any consumer complaints.

“We recognize that families are trusting us with their loved ones when they ask us to help—often in very difficult, stressful situations,” said Manpreet Dhalla, Owner and President of Home Care Assistance of Ft. Lauderdale. “I’m honored that the BBB has recognized and accredited us so that families can have an even deeper trust in our agency’s values and approach to client care.”
